PERFORMANCE BULLETIN 122

Grooved Adapters Available on K52 Series

We are pleased to release a new Grooved End Connector Kit option on the K52 series valves. These Grooved End Adapters allow for easy connection to grooved pipe as defined in ANSI/AWWA C606-15 and can be used with various mating pipe materials. Consult your Grooved Coupling manufacturer for recommendations on pipe supports and installation techniques.

Adapter kits are now available in 2" / 50mm pipe sizes for use on K524 valves under kit PN 4510478, model K524-UG08UEP. Each kit contains (2) each adapters and orings. One kit required per valve. Other pipe sizes are available upon request.

If any questions should arise, please contact us at TechSupport@AQ-Matic.com or +1-262-326-0100.

Thank you for your business.
